Due to operating cost increases, including upcoming increases of the Districts purchase water from the City of Gatesville, and costs of water rights from the Brazos River Authority, the Board of Directors for CCWSD voted at the October 2019 board meeting to increase service rates effective January 2020. The rate will increase by \$1.00 per thousand gallons in each tier. The directors also voted to increase the monthly base rate to \$45.00. (See below for new rates) Additionally, the District will now charge an impact fee of \$2,350.00 for a new meter installation, making new service \$4,000.00, effective immediately. If you have any additional questions, please contact our office.

\$45 per month is your basic service connection fee, which does not include any water usage. Water is then billed out at:
