

Tier Rate System for High Water Usage updated 2026

Coryell City Water Supply District due to operating cost increases, including increases of the districts water purchase from the City of Gatesville, and costs of water rights from the Brazos River Authority, the Board of Directors for CCWSD voted at the September 2025 board meeting to increase water rates effective January 2026 billing. The rate will increase by \$1.75 per thousand gallons in each tier, it was also voted each time the City of Gatesville raises water rates going forward CCWSD will also. The directors also declined to vote an increase the monthly base rate at this time. (See below for new rates) If you have any additional questions, please contact our office.
