Rural Addressing

Proof of property ownership must be provided for all residential and commercial property addressing assignments, please provide a copy of the property deed or tax statement along with the 9-1-1 Address Request Form. A Tax Statement can be obtained by contacting your county tax office. The Property deed or Tax Statement must include the name of owner and the property information. If the person requesting the address is not the property owner named on the deed, please provide owner contact information.

Please be prepared to supply three (3) or more of the following for address requests:

- Location of driveway, if established
- GPS-enabled photo
- GPS coordinates of established driveway and structure location (How do I get GPS coordinates?) If your address is not found Click here to learn more.
- Adjacent addresses and their distance and direction in relation to the requested site address
- Property ID number or filing name (How do I find the property ID?)
- Street location of address request
- Distance and direction to at least one intersection
- Distance of site off main road

If you need to verify or have a rural address assigned, either download and complete our Address Request Form PDF and email it to us at 911Addressing@ctcog.org or use the ONLINE version below.
